

Guerinda CASALASIERRA 2020

VINTAGE

Very difficult vintage by the big Mildew pression, due to the high rainfall during the end of the winter and spring. Early bud breaking adding to a dry and not extreme summer temperatures results in one of the earliest and fastest harvest in our history. Low yields, healthy grapes became fine wines with ageing potential.

GRAPE VARIETY

Garnacha

VINEYARD

2 "Casalasierra" plots, 24-year-old vines.
Sustainable vinegrowing.
Harvest: 7th of September .
Yield: 5000 Kg/Ha

WINE-MAKING

Gentle de-stemming and cold skin contact for 20 hours. Free run juice to obtain the must without using pressure (bleeding method). Fermentation without skins at low temperature in concrete vat during 15 days.

TASTING

An attractive, bright pink colour with purple glints. Intense on the nose with red berry fruits (strawberry, raspberry), candy fruits and herbal base (aromatic plants and mint). Fresh attack, very tasty body on the middle with a good acidity and balanced lingering finish full of fruity aromas. Good balance between acidity and fruitiness.

PRODUCTION

14.000 bottles
